OF THE PALM BEACHES

OUTSTANDING SOURCES OF SUPPLY

The Executives' Association of the Palm Beaches, founded in 1987, is a prestigious network of the area's top business leaders, and is a member of a nationwide network of similar associations whose beginnings date back to the 1920s. Member firms represent an exclusive business classification, based on their main products or services. The firm must have been operating for a minimum of three years, be a leader in its field with unquestionable credentials, and have a solid reputation for quality and high business ethics. Each member firm is represented by its owner, C.E.O., or, if headquartered outside the Palm Beach market, a key manager or other executive decision maker.
